Summary

Hello, I am Quang, I 'm interested in IT, especially Web Development.
Besides, I 'm an energetic person, i 'd like to make friends with people around. Moreover, the positive energy inside me comes from sport, my favorite activity in my spare time is badminton, which i can meet not only my friends, but also my rivals.
Therefore, i 'd love to give out the solution for people in communication, and teamwork is also my priority.
I am looking for a job where there is a lot of challenge to prove myself.
